Summer 2020

Dear Sixth Grade Parents,

Welcome to Weber Middle School! Whether you are a first time Weber parent or a returning veteran, we want to assure you that this will be a wonderful and rewarding year for your child!

We understand that parents of incoming sixth graders are often concerned about the transition to middle school. Please rest assured that an extensive support structure of teachers and guidance counselors has been established to ensure the well-being of every student. There will be many opportunities for your child to meet new people and begin new friendships. The balance between academics, sports, clubs, and social activities can be delicate, but with a strong home-school connection, we believe all children can succeed. We hope that you will contact us whenever you have a question or concern about your child's academic program or adjustment to school.

We're looking forward to working with you to help your child succeed at Weber, and we hope to see you at Open House on September 9, 2020, at 6:30PM!

Sincerely,

| | | |
