Summer 2020

Dear Parent(s)/Guardian(s),

Welcome to the Weber Middle School 7th Grade Blue Team. The transition from sixth to seventh grade can be a time of special concern for parents. In order to prepare, we would like to share a few ideas which we feel will help us work together to ensure the success of your child.

You are the most important person in your child's life, and you have the ability to motivate, stimulate and help your child succeed.

Two areas of concern for parents each year are homework and discipline. Both of these areas require parents and teachers to remain in close communication. In middle school, we emphasize that the choices each student makes will bring either positive or negative consequences. We will help the children learn to make appropriate decisions and will support and praise them when they are successful. If a situation arises and we need your support, we will not hesitate to contact you. Also, please feel free to contact us with any concerns regarding your child's academic, emotional or social life. Working together, we can make a difference. We can be best reached through email or through Ms. Shirian, the Blue House Guidance Counselor. Most important to your child's success: please take the time to discuss with your child the importance of proper attendance, following classroom rules and procedures as well as the timely completion of homework and long-term assignments.

Homework is a very important part of our curriculum since it is used to ascertain what the students have learned and serves as a springboard into subsequent lessons. We also assign homework to establish responsibility and good study habits. To assist you and your child in keeping abreast of their responsibilities, we have created a weekly newsletter that will provide a general overview of the week. Students will use an agenda in which they will keep a record of all assignments. Please encourage them to use it daily. Furthermore, we actively maintain our Google Classrooms where assignments and activities are posted.

Enjoy the rest of the summer. We look forward to your child's arrival to our 7th grade Blue team at Weber and we hope to see you at our Open House on **September 9th, 2020 at 6:30 p.m.** This will be a new and exciting year and we look forward to sharing it with you!

Sincerely,

Social Studies - Mr. Bass

Science - Mr. Enright

English - Ms. Hutchinson

Math - Ms. Sweeney

Special Education – Ms. Barbera

Counselor – Ms. Shirian

Psychologist - TBD

Social Worker – Ms. Venegas
