Summer 2020

Dear Parent/Guardian,

We are delighted that your child will be a member of the **BLUE 8 TEAM** for the upcoming school year! Through the course of eighth grade we will help each and every one of our students grow toward becoming more confident, independent learners.

Our primary goal this school year is to help your child grow academically and socially. Communication is an important component in this process. We are confident that if we work together, your child will have a great year. We will give our total effort each day, but you are the real key to your child's success. We need you to partner with us and let us know if there are any challenges or important issues.

Time management and responsibility for one's decisions are just some of the skills we hone in on in the eighth grade. Homework responsibilities are different depending on the subject. Some classes assign homework nightly, while others have long-term assignments. Students will need to plan ahead by writing down the homework in an agenda book and checking each teacher's webpage online.

Every five weeks you will see your child's progress report, which will give you a picture of your child's academic performance at that point in time. You can also visit the ASPEN website to see your child's daily grades since they are posted regularly.

Please feel free to contact any one of us at any time with any questions. We look forward to your child's arrival at Weber and hope to see you at our Open House on **September 9th, 2020, at 6:30 p.m.** Enjoy the rest of the summer!

Sincerely,

The 8th Grade Blue Team

Ms. Gober - Social Studies

Ms. Sweet - English

Ms. Ianniello - Math 8 (non - accelerated)

Mr. Tom - Science 8/Earth Science

Ms. Lindstadt-Iurka - Earth Science

Ms. Silverman - Math - Algebra One Common Core (accelerated)
