Summer 2020

Dear Parent/Guardian,

We, the Red Team teachers, welcome you to seventh grade! We will do our best to help your child grow academically, personally and socially.

Communication between home and school is an important factor in making school a positive experience for youngsters. As part of our communication, a progress report will be sent home at the mid-point of each marking period. At the end of each ten-week period, report cards will be electronically posted. One important seventh grade goal is to further develop each student's sense of responsibility for his/her own choices and decisions.

We work closely with the Red 7 House assistant principal, Mr. Dan Ciccone, and Mrs. Franie Weiner-James, your child's school counselor, throughout the year. Please contact us if you feel there is anything that we should know about your child. You may reach the school at 767- 5530.

Just a reminder that Weber Open House will be held on September 9, 2020, at 6:30 P.M.

We hope that your child is looking forward to seventh grade and to making it a rewarding experience.

Sincerely,

The Seventh Grade Red Team
