Summer 2020

Dear 7<sup>th</sup> Grade Parents/Guardians,

Welcome to the 7<sup>th</sup> Grade Yellow Team. Whether you are a first time 7<sup>th</sup> grade parent or a veteran, we guarantee that this year will be unique.

As a parent of a 7<sup>th</sup> grader, you are the most important person in your child's life. You have the ability to motivate, encourage, and help your child to become successful more than anyone else. We believe that even the best schools, teachers, and administrators are not as important in a child's achievement in school as you are. As a result, we will work with you in creating a year of success for your child.

To help support your child's academic successes, we ask you to create routines and set times and places for completing assignments. To accomplish our goal of working together, we use several different modes of communication such as email, Google Classroom, Edmodo and the Remind app among others. You may also call or email us to discuss your child's progress.

In middle school, we encourage students to be advocates of their own learning and will help guide them to make positive choices. We will also support and praise them throughout their seventh grade journey. We are confident that if we work together, your child will have a great year.

Enjoy the rest of the summer. We look forward to your child's arrival to Yellow 7 and hope to see you at our **Open House on September 9<sup>th</sup>, 2020, at 6:30PM.**
