FAX 516-767-5007

September 16, 2020

Dear Port Washington Community,

As a follow-up to our communication on Monday regarding the Daly Elementary School and Paul D. Schreiber High School, the District was notified by the Nassau County Department of Health yesterday that an additional student at Daly, who has not been present in school for the last week, had tested positive for the Coronavirus.

As you are aware, the District initially made the decision to close both buildings out of an abundance of caution; therefore, this new development did not require us to take any further action because no students or staff were present in the Daly building yesterday.

We share this information with you as part of our ongoing commitment to keep the community informed of any concerns or issues. This information is also reflected on the New York State COVID-19 Report Card dashboard.

Thank you for your continued patience and understanding as we continue to keep the safety and well-being of our students, staff and community as our top priority.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael J. Hynes".

Michael J. Hynes, Ed.D.
Superintendent of Schools
