September 14, 2020

Dear Port Washington Community,

The District was informed today that a Paul D. Schreiber student, as well as a Daly student, tested positive for COVID-19. In accordance with our [Re-Entry Plan](#), the Nassau County Department of Health was immediately contacted to initiate a contact tracing investigation. We are following all building sanitizing and cleaning protocols, and out of an abundance of caution, the Schreiber and Daly buildings will be closed Tuesday, September 15. In the interim, students and staff will follow a fully remote day of instruction. We will share additional information as it becomes available.

Please continue to monitor your child(ren) closely for any sign of potential illness and complete the District's [Student Health Screening](#) each morning prior to the start of school.

Sincerely,

Michael J. Hynes, Ed.D.
Superintendent of Schools
