Dear Port Washington Families,

Our district values your feedback! We are currently surveying Port Washington School District families in order to gain insight into your perception of our school and district effectiveness. To ensure we continue to provide high quality, rigorous learning experiences that meet the needs of our learners and prepare them for college and career, our Board of Education and I have made it a goal to get input and participation from as many stakeholders as possible this year. **We want to know what you think.**

To administer these surveys, we have partnered with Panorama Education to conduct our 2022 Family Survey. Panorama safeguards your privacy, keeping your responses confidential. The survey shouldn't take more than a few minutes to complete and will be a valuable source of information for us as we work to make our schools and district as good as they can be.

You may complete the survey online between April 27, 2022 and May 11, 2022 using a computer, tablet, or smartphone by visiting the website surveys.panoramaed.com/portwashington/family22 and clicking "Take this survey" next to your respective school.

We thank you in advance for your thoughtful responses. If you have any questions about the survey administration, please don't hesitate to contact us at 516-767-5001.

Thank you,

Michael J. Hynes, Ed.D.

Superintendent of Schools
